

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2468 - SB 2550

January 30, 2012

SUMMARY OF BILL: Authorizes a county register to assume the functions and duties of the microfilm, public records, and/or archives departments if the existing county records commission or county executive approves.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Currently, only the Shelby County register has the authority to carry out such duties.
- According to the Secretary of State's office, this will have no fiscal impact on the Tennessee State Library and Archives.
- It is assumed that if a county register were to be given such duties, the current employees of the related departments providing such services would remain intact and any fiscal impact would be incurred due to a shift of funds and resources from one county agency to another. This shift will result in a net impact that is not significant.
